EMPRESA COMPANY

TODAGRES

TODAGRES S.A., empresa fundada en 1969 en Vila-real (Castellón), especializada en la fabricación, distribución y venta de pavimentos de gres Porcelánico Técnico y Full Body.

Todagres S.A., ha sabido desarrollar desde su creación toda una innovadora empresa, pionera en nuevos productos y técnicas de producción, dando el gran salto cualitativo en 1998, cuando fruto del trabajo incesante, nace un nuevo producto: El Porcelánico Todagres®, actualmente una de las marcas de Porcelánico mejor consideradas, y seguramente la que mejor expresa, el espíritu de trabajo, la investigación y la innovación empresarial.

Todagres S.A. is a company set up in 1969 in Vila-real (Castellón) engaged in the manufacture, distribution and sale of porcelain ceramic tiles and full body.

Todagres S.A. has transformed since then into an innovative and pioneering company that has led the launching of new products and the development of production techniques. A huge step forwards in qualitative terms was taken in 1998 when, as a result of an extensive work, a new product was launched: Porcelánico Todagres. At present, this is one of the most widely recognised brands of porcelain ceramic tiles and it is no doubt the one that best reflects the values of work spirit, corporate innovation and the research done within the company.

Los colores es uno de los lenguajes que emplea el arte para transmitir su mensaje.

La serie colors está llena de elementos visuales con una gran carga de información. Tiene una relación intensa con las emociones y es una experiencia visual para los seres humanos.

Esta serie tiene un significado asociativo universal nacido de la experiencia, los colores están presentes en nuestras vidas, y la vida está llena de vivencias distintas teñidas de múltiples colores.

Color is one of the languages used by art to transmit its message.

Our COLORS range is full of visual elements with great information content, it is intensely related to emotions and it is a visual experience for human beings.

This range has a universal associative meaning born from experience; colors are present in our lives and life is full of different experiences tinged with multiple colors.

DAINO & OPERA

Texturas naturales, colores clásicos y nuevos formatos.

“La piedra abre un mundo de posibilidades, su fuerte personalidad da una nueva forma de entender la decoración y conseguimos ambientes en armonía y equilibrio con la naturaleza”.

Cabe destacar que estas series combinan a la perfección con cualquier otro tipo de material ya sea madera, vidrios o metales”.

Hemos conseguido una sofisticada interpretación de una selección de piedras por la gran exactitud de detalles, que nos da como resultado un valor diferencial estético (textura, naturalidad, integración en el proyecto,...)

Nuestra diversidad de formatos, permite crear infinitos estilos de decoración y ambientación.

Natural textures, classic colours and new sizes.

Stone opens a new world of possibilities, its strong personality offers a new way of understanding decoration and it allow s us to create atmospheres in harmony and balance with nature.

It should be pointed out that these series can be perfectly combined with any other kind of materials such as woods, glass or metals.

We have accomplished a sophisticated interpretation of a selection of stones due to a great detail accuracy, having as result an aesthetic distinguishing value (texture, naturalness, integration to the project..).

Our diversity of sizes, allows you to create endless decoration and setting styles.
